ASCIT Club Funding for Spring Term 2012 can be applied for by any club that is registered on Donut and has a Bursar’s account. If you do not fulfill one of these requirements, please go make sure you do.

Note, if you received funding for this last year, your funding will not expire until the beginning of Fall term or until used up. At that point, you may reapply.

To apply for funding, you need to provide the following in a document sent to treas@donut.caltech.edu.

- Club Description (# members, what you do, how active you are, etc.)
- Itemized Budget of expenses (Just make a table of expenditure and cost, total, etc.)

This does not have be long, we just want a feel for what the funding is going towards. Not all applications will receive funding, so please be prepared to explain necessity of ASCIT funding.

Normal, full-year club funding will reconvene at the beginning of the 2012-2013 school year and should happen within the first few weeks of school. Stay tuned for an email as summer ends/school starts.

Once your club funding application is received, you’ll be notified to attend a BoD meeting where we’ll ask some more questions.

Thanks!
